

BevClean™

BevClean

No Rinse Bag-In-Box & Cartridge Beverage System Cleaner

For use with Ice Beverage Combos, Counter Electrics, Juice/Dairy/Cappuccino Dispensers, Bar Guns and BIB/Cartridge based machines

No buckets, mixing, waiting for powders to dissolve or waiting for cleaner to work. BevClean is tasteless & odorless. It is food safe and requires no rinsing. Safe for dispensing equipment, tubing, pumps and related system components.

Gulf ICE Systems, Inc.

FEATURES

- Cleans all internal components on the syrup and/or juice side
- Cuts down on Brix related service calls by cleaning out bacterial growth and restrictive buildup
- Simply connect the BevClean box directly to the selected flavor and run it until clear cleaner is visible
