

GAS PUMP - LIQUID FITTINGS

Stainless Steel Product Inlets & Outlets

FOR USE WITH

All N5000 Series, G55, G5A and G58 Series Pumps

STANDARD MODEL NUMBERS

Part Number	Description
20324-030	1/4" (6.3 mm) Hose Barb, Straight
20325-030	3/8" (9.5 mm) Hose Barb, Straight
20606-100	1/2" (12.7 mm) Hose Barb, Straight
20607-100	1/4" (6.3 mm) Hose Barb, Elbow
20608-100	3/8" (9.5 mm) Hose Barb, Elbow

FOR USE WITH

G56 and K56 Series Pumps

STANDARD MODEL NUMBERS

Part Number	Description
21000-131A	1/4" (6.3 mm) Hose Barb, Straight
21000-130A	3/8" (9.5 mm) Hose Barb, Straight

Plastic Product Inlets & Outlets

FOR USE WITH

All N5000 Series, G55 and G58 Series Pumps

STANDARD MODEL NUMBERS

Part Number	Description
20325-031	3/8" (9.5 mm) Hose Barb, Straight

FOR USE WITH

All G56 Series and K56 Series Pumps.

STANDARD MODEL NUMBERS

Part Number	Description
20381-026	10-13mm (3/8"-1/2") Hose Barb, Straight
20381-002	1/2" (12.7 mm) Hose Barb, Straight
20381-024	10-13mm (3/8"-1/2") Hose Barb, Elbow
20381-009	1/2" (12.7 mm) Hose Barb, Elbow

* Packaged 2 per bag

GAS PUMP - AIR FITTINGS

Brass CO₂/Air Inlets with Shutoff Valve

FOR USE WITH

All N5000 Series and G Series Pumps

STANDARD MODEL NUMBERS

Part Number	Description
1510-000	1/4" (6.3 mm) Hose Barb, Straight
1520-000	1/4" (6.3 mm) Hose Barb, Tee
1521-000	1/4" (6.3 mm) Hose Barb, Elbow

Offset Brass CO₂/Air Inlets w/Shutoff Valve

APPLICATIONS

- Facilitates manifolding CO₂ lines of multi-pump kits, when pumps are mounted vertically.
- Eliminates obstruction of CO₂/airlines by fluid lines or ports.

STANDARD MODEL NUMBERS

Part Number	Description
01522-000	1/4" (6.3 mm) Offset Hose Barb, Tee
01523-000	1/4" (6.3 mm) Offset Hose Barb, Elbow, Left Hand
01524-000	1/4" (6.3 mm) Offset Hose Barb, Elbow, Right Hand

* Packaged 12 per bag

Plastic CO₂/Air Inlets

FOR USE WITH

All N5000 Series and G Series Pumps

STANDARD MODEL NUMBERS

Part Number	Description
20325-033	1/4" (6.3 mm) Hose Barb, Straight
