"The Innovation Leader"

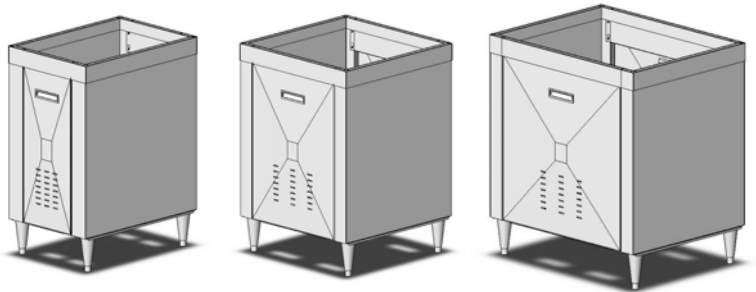

Space Saver Drop-In Conversion Stands, Ice-Combo Cabinet Stands, and Ictainer Leg Sets

McCann's has added to its drop-in stand product offering to include ice-combo cabinet stands and Ictainer leg sets. All items are being offered at extremely competitive pricing. The product line features sturdy, stainless steel construction, compact, easy to handle packages, and NSF approval. McCann's drop in stands are shipped knocked-down, but take only minutes to assemble. This equates to advantages in shipping costs, storage space requirements, and ease of handling at the local delivery level. For example, the assembled 23" x 23" stand, part number 16-1321, measures 25" x 25" x 36", or over 12 cubic feet in shipping and storage space. McCann's unit is shipped in a carton requiring less than 5 cubic feet!

Drop In Stands

Refer to McCann's part numbers:

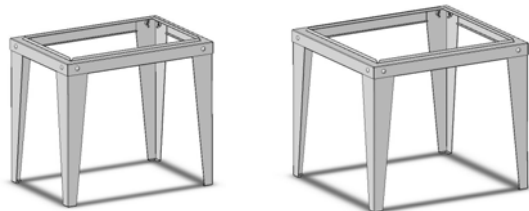

- 16-1337 15" x 22" Stand
- 16-1321 23" x 23" Stand
- 16-1576 30" x 23" Stand

Ictainer Leg Sets

Refer to McCann's part numbers:

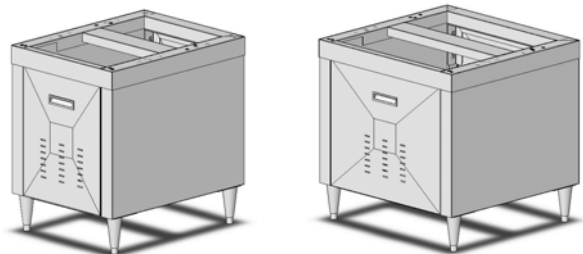

- 15-2897-UNIV (23x23 Cornelius & Lancer)
- 15-2897-CAP (23x23 Capital)
- 15-2897-SER (23x23 Servend)
- 15-2898-UNIV (15x22 Cornelius & Lancer)
- 15-2898-CAP (15x22 Capital)
- 15-2898-SER (15x22 Servend)

Ice-Combo Cabinet Stands
