Bag-In-Box Racks

► Modular and Custom

► Modular BIB Racks:

Choose the size and style that fits your needs best. Each rack is made of all welded construction for long life and durability. Modular and custom assembled BIB racks are available, and are ready to handle the most popular industry pumps. All racks are NSF approved.

- Powder coated black
- Flat or inclined shelves
- Sturdy all welded construction
- One, two or three box wide
- 19" deep shelf to protect dispenser tab
- Side panels punched for all major brand pumps - or - optional panels with glide louvers that secure syrup pumps and regulators with glide brackets
- Packaged 4 units to box
- Full line of accessories to fit racks: top shelf, top pump mounts and/or casters
- NSF and ETL listed

► Modular BIB Racks with Louvered Panels:

- Available in 1, 2, 3-box wide racks with top pump mounts and top shelves
- Syrup pumps and regulators (with glide brackets) slide securely onto panel louvers without hardware or tools
- Powder coated steel tubing provides durable surface protection that is environmentally safe and won't discolor
- Compatible footprint with other Taprite BIB racks
- Conforms to NSF and ETL
