Bev-Seal Ultra® Series 974 Cabled Barrier Tubing Bundle

Construction: Flushable **Bev-Seal Ultra®** Series 235 tubes (see page 11), each color coded, individually numbered and branded with NSF-51 and NSF-61 listings and date codes for traceability. Special film wrap over cabled tubes offers excellent flexibility and tight bend capabilities. Silver-gray extruded jacket, with slip agent to minimize friction, is branded with product identification, NSF listing marks, and sequential footage markings for ease of measurement. Other jacket colors available (some limitations may apply).
