BINS & DISPENSERS

KBD-01 BIN DIVIDER

The KBD-01 (Kit Bin Divider) allows an operator to have two different types of machines and ice on the same bin while keep int them separate. We recommend the setup below with the GEM/MFI/HEM on the left and the 22" CIM on the right for ease of service.

We reserve the right to change specifications and product design without notice. Such revisions do not entitle the buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment.
